Academic appointments

- 2026–current **Assistant Professor**, *Sciences-Po Paris*, France, Centre for Research on Social Inequalities (CRIS).
- 2021–2025 **Postdoctoral researcher**, *University of Amsterdam*, The Netherlands.
ERC-funded CAREER project “From School to Career: Towards A Career Perspective on the Labor Market Returns to Education”
Note for effective research time:
1st maternity leave December–March 2022
2nd maternity leave January–April 2025

Education

- 2017–2021 **PhD, cum laude**, *University of Maastricht*, the Netherlands.
Thesis title: Native born but not yet citizen: citizenship and education outcomes of the children of immigrants in the Netherlands
Promotors: Maarten Vink and Mark Levels
- 2016–2017 **Master's degree in Social Sciences**, *École Normale Supérieure (ENS) and School of Advanced Studies in the Social Sciences (EHESS)*, France.
Master's program specialised in “Interdisciplinarity in Social Sciences”, including courses in anthropology, history, sociology and training in ethnography
summa cum laude
- 2013–2016 **Grande École ENSAE Paris**, *École Nationale de la Statistique et de l'Administration Économique*, France.
Top school of engineering in statistics, economics and data science
Specialisation track: data science (econometrics, machine learning)
- 2010–2013 **Bachelor's degree**, *Classe préparatoire aux grandes écoles BL “Arts and Social Sciences”*, France.

Research interests

Labour market dynamics; technological change; social stratification and mobility; sociology of education; migration and citizenship; computational social sciences.

Peer-reviewed publications

- 2026 **Labussière, M.** and Bol, T. Are occupations 'bundles of skills'? Identifying latent skill profiles in the labour market using topic modeling, *Sociological Science*, 13: 362-407.
- 2025 Decker, V., **Labussière, M.**, & Bol, T. (2025). How routine tasks affect labor market inequalities between vocational and tertiary graduates over the career. *Social Science Research*, 131(103207).

- 2023 **Labussière, M.** (2023). Timing of citizenship acquisition and immigrants' children educational outcomes: a family fixed-effects approach. *European Sociological Review*, 40(4), 583–597.
- 2021 **Labussière, M.**, Levels, M., & Vink, M. (2021). Citizenship and education trajectories among children of immigrants: A transition-oriented sequence analysis. *Advances in Life Course Research*, 50(100433).
- 2020 **Labussière, M.** & Vink, M. (2020). The intergenerational impact of naturalisation reforms: the citizenship status of children of immigrants in the Netherlands, 1995-2016, *Journal of Ethnic and Migration Studies*, 46(13), 2742–2763.
- 2017 **Labussière, M.** (2017). Le féminisme comme “héritage à dépasser” : Les Antigones, un militantisme féminin à la frontière de l'espace de la cause des femmes, *Genre, sexualité et société* [online], 18.

Work in progress

Jansen, G. and **Labussière, M.** “AI Beyond Job Loss: Work Exposure, Attitudes, and Workers’ Policy Preferences on AI Regulation ”, under review.

Labussière, M. and Jansen, G. “Generative AI in the Work Context: How Occupations and Tasks Shape Perceptions and Use”, in progress.

Labussière, M. “Uncovering the Unpredictability of Workers’ Careers in Changing Labor Markets”, NWO VENI application.

Labussière, M. “What transferable skills do workers need to future-proof their careers? A dynamic network analysis of the skills that support upward mobility in changing labor markets”, in progress.

Awards and honors

- 2023 Dissertation prize from the University of Maastricht
- 2022 Advances in Life Course Research Young Scholar Award
- 2022 Honorary mention for the IMISCOE Rinus Penninx Best Paper Award

Invited talks

- 2024 “Are occupations 'bundles of skills'? Identifying latent skill profiles in the labour market using topic modeling”, Federal Institute for Vocational Education and Training (BIBB), Bonn, Germany.
- 2024 “Are occupations 'bundles of skills'? Identifying latent skill profiles in the labour market using topic modeling”, Sciences-Po Centre for Research on Social Inequality (CRIS), Paris, France.
- 2023 “Are occupations 'bundles of skills'? Identifying latent skill profiles in the labour market using topic modeling”, Center for Research in Economics and Statistics (CREST), Paris, France.
- 2022 “Studying Migration with Sequence Analysis”, Webinar of the Sequence Analysis Association, online.
- 2021 “Citizenship for the children of immigrants. How does it matter and to whom?”, GLOBALCIT Webinar, Robert Schuman Center, European University Institute, online.

Selected conference presentations

- 2025 5th ISA Forum of Sociology, session “What Can We Learn about Labor Market Inequality from Text Data?”, Rabat, Morocco.
- 2024 ISA RC 28 Spring Meeting “Life Course and Social Inequality in Comparative Perspective”, International Sociological Association, Shanghai, China.
- 2023 ODISSEI Conference for Social Science in the Netherlands 2023, Utrecht, the Netherlands.
- 2023 ISA RC 28 Spring Meeting “Education and Social Inequality across the Life Course” (poster), International Sociological Association, Paris, France.
- 2022 ODISSEI Conference for Social Science in the Netherlands 2022, Utrecht, the Netherlands.
- 2022 19th IMISCOE Annual Conference “Migration and Time”, Oslo, Norway.
- 2021 ISA RC 28 Spring Meeting “Accumulation and compensation of inequalities”, International Sociological Association, online.
- 2020 International Conference “Heterogeneity and Inequality – Differentiation in Education and Consequences for Educational Inequalities”, Sociology of Education Research Network of the Swiss Sociological Association, online.
- 2019 International Conference “Immigrants’ Integration: Educational Opportunities & Life Chances”, Ascona, Switzerland.

PhD supervision

- 2026 **Viktor Decker**, *University of Amsterdam*, the Netherlands.

Teaching

- 2026 **Course coordination**, *Bachelor of Arts, Sciences Po Paris*, France.
Coordinator and examiner of the elective course “Working in the Digital Age: Technology and Labor Market Inequality”
- 2024 **Course coordination**, *Master’s Sociology*, University of Amsterdam, the Netherlands.
Coordinator and examiner of the elective course “Migration, Race and Ethnicity”
- 2024 **Master thesis supervisor**, *Research Master Social Sciences*, University of Amsterdam, the Netherlands.
1 student
- 2023–2024 **Didactic Innovation Grant**, *UvA Teaching and Learning Centre*, University of Amsterdam, the Netherlands.
Development of an educational game to increase students’ engagement with statistical concepts through active participation, group dynamics and a sense of control.
- 2023 **Bachelor thesis supervisor**, *Bachelor Sociology*, University of Amsterdam, the Netherlands.
Theme “Between here and there: exploring the life experiences of the children of immigrants”, 10 students
- 2019 **University Teaching Qualification (BKO)**, University of Maastricht, the Netherlands.

- 2017–2021 **Junior Lecturer**, *Bachelor European Studies*, University of Maastricht, the Netherlands.
 “Research Methods: Introduction to Quantitative Methods”
 “Methods: Survey Research”
 “Research Skills: Introduction to Academic Research and Writing”
 “Faultlines. Contemporary debates on diversity, identity and inequality in Europe”
Bachelor thesis supervisor, *Bachelor European Studies*, University of Maastricht, the Netherlands.
 18 students
- 2016 **Junior lecturer in “Quantitative Analysis”**, *Master in Public Policies*, Sciences-Po Paris, France.

Professional activities

- Refereeing Occasional reviewer for *The American Sociological Review*, *The European Sociological Review*, *Acta Sociologica*, *Advances in Life Course Research*, *The Journal of Ethnic and Migration Studies*, *European Societies*, *Sociological Forum*.
- 2025 Co-organisier for the workshop “Skills and careers in changing labor markets”, two-day event funded by the ERC CAREER project to be held in May 2025, Amsterdam, the Netherlands.
- 2024 Member of the ODISSEI LISS Panel Grant Review Committee, the Netherlands.
- 2024 Instructor at the Summer Institute in Computational Social Science Amsterdam, University of Amsterdam, the Netherlands.
- 2020 Co-organisier for the workshop “Citizenship of the children of immigrants: Legal status and life opportunities in host country societies”, one-day event co-organised with Maarten Vink, Maastricht, the Netherlands – canceled due to COVID.

University service

- 2020-2021 Chair of the Transnationalism Migration Group (TMG), Faculty of Arts and Social Sciences, Maastricht, the Netherlands.

Further training

- 2024 14th Winter School for Longitudinal Social Network Analysis (3 days), Groningen, the Netherlands.
- 2023 Training course “Superb supervision – mentoring your PhD candidate towards responsible conduct of research” (3 days), University of Amsterdam, the Netherlands.
- 2023 SICSS ODISSEI Summer School, Summer Institute in Computational Social Science (two weeks), Erasmus University Rotterdam, the Netherlands.
- 2018 European Consortium for Political Research (ECPR) Winter School in Methods and Techniques (one week), advanced course on “Panel Data Analysis”, Bamberg, Germany.

Media coverage

- 2021 *Hoe eerder kinderen van migrantenouders een paspoort krijgen, hoe hoger hun Citoscore*, De Volkskrant.
- 2021 Staatsburgerschap kan kans op doorstroom naar hoger onderwijs vergroten, *Science Guide*.

Languages

French **native**
English **fluent**
Dutch **intermediate**
Italian **moderate**

960/990 at the TOEIC R&L in 2014
B2 (CEFRL)

Computer skills

Proficient Python, Stata, SPSS
Working R, SAS
knowledge
